

KING COUNTY COMPREHENSIVE PLAN 2004

POLICY RP-307/RP-308 ANALYSIS MATRIX

1. Amended and New Policies in 2004 Plan Policies Deleted from 2003 Plan	2. Rationale for Change or Addition of Policy	3. Effect of Change or Addition of Policy	4. Cite GMA and CPPs which amendment complies with as applicable.	5. Is amendment Consistent with Functional Plans and Capital Improvement Programs or are changes to the Plans and CIPs needed?	6. Identify new Regulations or zoning changes needed to implement the amendment.
1. [RP-307(a)]	2. [RP-307(a, c)]	3. [RP-307(b)]	4. [RP-307(d, e)]	5. [RP-307(f)]	6. [RP-307(g)/RP-308]
<del>((P-101 King County shall be a leader in identifying and linking park and open space lands to conserve the County's natural systems, create continuous open space and wildlife corridors, separate urban from rural areas, sustain forestry and provide recreational opportunities.</del>	Combined into new P-102.	Reduces redundancy.	N/A	Consistent.	None.
<del>P-102 Any lands added to the King County Parks and Open Space System shall be classified as natural, active recreation, passive recreation, multi-use, trail or special purpose site, shall be identified as regional or local, and the primary role and any park uses, if any, shall be described.</del>	Replaced by new classification (Business Plan) & Re org. -see new P-122.	Consistency.	N/A	Consistent.	None.
<del>P-103 King County shall lead in the provision of regional open spaces and manage access to open space lands to ensure ecological sustainability and prevent conflict with natural resource goals. The primary purpose of open space lands is to conserve the natural ecosystem. Secondary goals include providing opportunities for passive or low impact outdoor recreation, education and interpretation, offering scenic views and protecting cultural or historic resources and sustainable forestry.</del>	Combined into new P-102.	Reduces redundancy.	N/A	Consistent.	None.
<del>P-104 King County shall lead in the provision of regional parks that provide facilities, programs and services to all residents of the County.</del>	Combined into new P-102.	Reduces redundancy.	N/A	Consistent.	None.
<del>P-105 Local parks, trails and open spaces that complement the regional system should be provided in each community, in both urban and rural areas, to enhance environmental and visual quality and meet local recreation needs.</del>	See new P-104 supporting King County transition from urban local provider role.	Consistency.	N/A	Consistent.	None.

KING COUNTY COMPREHENSIVE PLAN 2004  
POLICY RP-307/RP-308 ANALYSIS MATRIX

1. [RP-307(a)]	2. [RP-307(a, c)]	3. [RP-307(b)]	4. [RP-307(d, e)]	5. [RP-307(f)]	6. [RP-307(g)/RP-308]
<del>P-106</del> King County shall be a leader in establishing partnerships with other jurisdictions, private groups and individuals to complete the regional parks and open space system, linking local and regional lands and facilities.))	Incorporated into P-120.	Reorganization		Consistency	None
<del>P-10((7))1</del> For the purposes of the King County ((Parks and)) Open Space system, “Regional Parks” shall mean sites and facilities that are large in size, have unique features or characteristics and serve communities from many jurisdictions, and “((L))local” shall mean sites and facilities that predominantly serve communities in the unincorporated area.	System – new classification.	Consistency.	Complies with RCW 36.70A.202 and CPP CC-9.	Consistent.	None.
<del>P-102</del> King County shall be a regional leader in the provision of a regional open space system of parks, trails, natural areas, working resource lands, and flood hazard reduction lands. The regional network of open spaces provides benefits to all county residents including: recreation facilities, conservation of natural and working resource lands, flood hazard protection and related programs, and services. Preservation will include wildlife corridors and riparian habitat, as well as open space areas separating urban and rural areas.	Combination of old P-101, P-102, and P-103 to decrease redundancy.	Decreases redundancy.	Complies with RCW 36.70A.202 and CPP CC-9.	Consistent.	None.
<del>P-103</del> Local parks, trails and other open spaces that complement the regional system should be provided in each community, in Rural Areas, to enhance environmental and visual quality and meet local recreation needs. King County shall provide local parks, trails and other open spaces in the Rural Area.	Replaces old P-105 to delete local urban park role.	Consistent with new direction.	Complies with RCW 36.70A.202 and CPP CC-11.	Consistent.	None.
<del>P-10((8))4</del> King County shall provide ((a functional system of)) regional parks and recreational facilities that serve users from many neighborhoods and communities. ((This functional system includes)) Regional parks include unique sites and facilities that should be equitably distributed.	No substantive change.	Edit only.	Complies with RCW 36.70A.202 and CPPs CC-6 and CC-9.	Consistent.	None.
<del>P-10((9))5</del> King County ((should)) shall complete a regional trail system, ((including connections between)) linking trail corridors, to form a countywide network.	No substantive change.	Edit only.	Complies with RCW 36.70A.202 and CPP CC-6.	Consistent.	None.

KING COUNTY COMPREHENSIVE PLAN 2004

POLICY RP-307/RP-308 ANALYSIS MATRIX

1. [RP-307(a)]	2. [RP-307(a, c)]	3. [RP-307(b)]	4. [RP-307(d, e)]	5. [RP-307(f)]	6. [RP-307(g)/RP-308]
<b>P-1((10))06</b> King County <del>((shall offer))</del> should facilitate educational, interpretive and aquatic programs <u>on county-owned properties</u> that further the enjoyment, understanding and appreciation of the natural, <del>((and))</del> cultural <u>and recreational resources</u> of the park system and the region.	KC no longer offers programs. Facilitates provision by outside entities and groups.	Consistent with new direction.	Complies with RCW 36.70A.202 and CPP CC-11.	Consistent.	None.
<b>P-1((14))07</b> King County should <del>((sponsor))</del> <u>facilitate and seek</u> regional <del>((recreational and aquatic))</del> <u>and national</u> programs and special events <u>at regional sites and facilities.</u>	Consistent with Business Plan.	Consistent with new direction.	N/A	Consistent.	None.
<del>((P-112 The King County Active Sports and Youth Recreation Commission shall advise the Executive and the Council on policies relating to active sports and youth recreation. King County should continue to support the Commission with staff and other resources.</del>	Commission no longer active.	Eliminates reference to Commission that is no longer active.	N/A	Consistent.	None.
<del>P-113 In unincorporated urban communities where there is a disproportionate number of free and reduced price lunches in the local School District, King County should provide programs and facilities including organized sports for children, such as basketball, baseball/softball, and football, after school activities, and summer day camps. Recreational programming should be focused on the needs of youth that come from low to moderate income families, or that are at high risk for involvement with the justice system.))</del>	KC not funded for programs in urban areas – programs subject to grant funding.	Consistent with new direction.	N/A	Consistent.	None.
<b>P-1((14))08</b> <del>((The primary focus of King County's regional in the open space system shall be natural systems and multi-use trails.))</del> <u>King County will manage its natural areas to protect, preserve and enhance important natural resource habitat, biological diversity, and the ecological integrity of natural systems.</u>	Clarifies how natural areas will be managed.	Guides development of management plans for natural areas.	Complies with RCW 36.70A.202 (10) and CPP CC-6.	Consistent.	None.
<b>P-1((15))09</b> King County shall recognize and protect <del>((natural systems for their))</del> <u>the natural character ((on properties owned by King County)) and ecological value of its natural areas.</u> These <del>((systems))</del> <u>areas</u> are important <del>((in))</del> <u>for preserving fish and wildlife and their habitat, ((rare or vanishing flora and fauna, geological sites or)) native vegetation, and</u> features of scientific and educational value. Development and <u>public</u> use may be limited to preserve the	Edited to expand upon role in natural areas; reflects new direction.	Guides development of management plans for natural areas.	Complies with RCW 36.70A.202 (10) and CPP CC-6.	Consistent.	None.

KING COUNTY COMPREHENSIVE PLAN 2004  
POLICY RP-307/RP-308 ANALYSIS MATRIX

1. [RP-307(a)]	2. [RP-307(a, c)]	3. [RP-307(b)]	4. [RP-307(d, e)]	5. [RP-307(f)]	6. [RP-307(g)/RP-308]
natural state and <del>((limit))</del> reduce disturbance of the natural <del>((system))</del> resources. <del>((There may be little or limited public access to these sites.))</del> <u>Site improvements should be focused on providing educational and interpretive opportunities. Public access should be directed to the less fragile portions of a site to ensure continued protection of the ecological resources</u>					
<del>((P-116 King County supports the Mountains to Sound Greenway along the Interstate 90 corridor. The County should work to complete the continuous block of public ownership along this greenway which forms the “backbone” of a countywide habitat network. Closure of the gap should be accomplished through acquisition or coordination with other public and private agencies.))</del>	Policy should not list specific outside partnerships, they are too numerous to identify all of them.	None.	N/A	Consistent.	None.
<del>((P-117 The implementation of King County's regional open space systems will be based on the opportunity presented by the physical landscape and will be evaluated by completeness of the system and conservation of important natural resources. The amount of desired regional open space cannot be quantified in terms of acreage per capita but should be based on resource preservation and the conservation of natural system corridors.))</del>	Not necessary.	None.	N/A	Consistent.	None.
<u>P-110 Farmland owned by King County shall contribute to the preservation of contiguous tracts of agriculture land and make affordable farmland available for use by small-scale and new farmers.</u>	Clarifies purpose of County-owned farmland.	Guides development of management plans for County-owned farmland.	Complies with RCW 36.70A.770 and RCW 36.70A.202 (8).	Will be reflected in update to Parks and Open Space Plan.	None.
<u>P-111 Farmers leasing properties owned by King County shall use Agricultural Best Management Practices, Integrated Pest Management and other sustainable farming methods.</u>	Ensures good farming practices by farmers leasing County owned land.	Guides lease agreements for County-owned farmland.	Complies with RCW 36.70A.202 (10) and CPP LU-1.	Will be reflected in update to Parks and Open Space Plan.	None.
<u>P-112 The use and management of farmlands owned by King County shall be consistent with any requirements imposed by the funding program used to purchase each property and shall serve to meet and enhance the objectives of the King County Agriculture Program.</u>	Recognizes constraints on use of County-owned farmland.	Guides development of management plans for County-owned farmland.	Complies with RCW 36.70A.202 (8).	Will be reflected in update to Parks and Open Space Functional Plan.	None.

**KING COUNTY COMPREHENSIVE PLAN 2004**  
**POLICY RP-307/RP-308 ANALYSIS MATRIX**

1. [RP-307(a)]	2. [RP-307(a, c)]	3. [RP-307(b)]	4. [RP-307(d, e)]	5. [RP-307(f)]	6. [RP-307(g)/RP-308]
<b>P-113</b> Forest land owned by King County shall provide large tracts of forested property in the Rural Forest Focus Areas and the Forest Production District (FPD) that will remain in active forestry, protect areas from development or provide a buffer between commercial forestland and adjacent residential development.	Clarifies purpose of King County forestland.	Guides acquisition decisions.	Complies with RCW 36.70A.202 (8).	Will be reflected in update to Parks and Open Space Functional Plan.	None.
<b>P-114</b> Forest land owned by King County shall be used to sustain and enhance environmental benefits, demonstrate progressive forest management and research, and provide revenue for the management of the working forest lands.	Clarifies uses on King County forestland.	Guides development of site management plans.	Complies with RCW 36.70A.202 and CPP LU-1.	Will be reflected in update to Parks and Open Space Functional Plan.	None.
<b>P-115</b> Forest land owned by King County shall provide a balance between sustainable timber production, conservation and restoration of resources, and appropriate public use.	Clarifies that King County owned forestland will balance multiple objectives.	Guides development of site management plans.	Complies with RCW 36.70A.202 and CPP LU-1.	Consistent.	None.
<del>((P-127 King County shall use park and recreation standards as adopted in the King County Park, Recreation and Open Space Plan as guidelines to evaluate and provide local open spaces, parks, trails and recreational services.</del>	Relocated as P-127	None – organization only		Consistent	None
<del>((P-130 The County shall work with cities, adjacent counties, federally recognized tribes, state and federal agencies, school and special purpose districts, community organizations, non-profit organizations, land owners and other citizens to promote and protect all aspects of environmental quality and preserve open space and recreational opportunities.</del>	Incorporated into P-120.	None – organization only.	N/A	Consistent.	None.
<del><b>P-132</b> In the unincorporated Urban Area, King County shall work in partnership with other jurisdictions and organizations to plan and provide local open spaces, trails, active parks, pools and facilities and recreation services. Upon the annexation or incorporation of an unincorporated urban area, King County shall work with that jurisdiction or other appropriate provider to assume responsibility of local parks, trails and open space to ensure continued service to the community.</del>	New policy direction (see P-128).	Consistent with transfer strategies.	N/A	Consistent.	None.
<del><b>P-134</b> In the Rural Area, King County shall be the provider of local open space, park, trail and recreational services.))</del>	Included with P-103.	Reduce redundancy.	N/A	Consistent.	None.

KING COUNTY COMPREHENSIVE PLAN 2004

POLICY RP-307/RP-308 ANALYSIS MATRIX

1. [RP-307(a)]	2. [RP-307(a, c)]	3. [RP-307(b)]	4. [RP-307(d, e)]	5. [RP-307(f)]	6. [RP-307(g)/RP-308]
<del>P-1((35))17</del> (( <del>Local parks</del> )) Parks, trails and other open space lands should be acquired and developed to meet adopted standards with a combination of public funds and dedications or contributions from residential and commercial development, based on their service impacts.	Clarity.	None – organization only.	Complies with RCW 36.70A.202 and CC-9.	Consistent.	None.
<del>P-1((36))18</del> (( <del>Park</del> )) <u>Open space</u> sites should be acquired when identified in the King County Park, Recreation, and Open Space Plan, <u>adopted in 1996 (and subsequent updates)</u> or when needed to meet adopted local park and recreation standard, <u>or to protect contiguous tracts of working resource lands or ecological resources.</u>	Adds specificity & clarity.	None.	Complies with RCW 36.70A.202 and CPPs CC-6 and CC-7.	Consistent.	None.
<del>P-1((37))19</del> (( <del>Local trails</del> )) Trails should be acquired when identified in the King County (( <del>Park, Recreation and Open Space</del> )) <u>Trails Plan</u> or when identified as part of a community trail network. (( <del>Where permitted, these trails should be in conformance with the Americans with Disabilities Act standards, and should be developed to accommodate multiple uses, including: hiking, cycling, running, and horse back riding.</del> ))	Recognizes trail plan as guidance.	Recognizes trail plan as guidance.	Complies with RCW 36.70A.202 and CPPs CC-6 and CC-7.	Consistent.	None.
<del>P-120</del> King County shall be a leader in establishing <u>partnerships with cities, adjacent counties, federally recognized tribes, state and federal agencies, school and special purpose districts, community organizations, non-profit organizations, land owners and other citizens. The county and these partnerships should work to promote and protect all aspects of environmental quality and complete the regional parks and open space system, linking local and regional lands and facilities.</u>	Formerly P- 106 & P- 130, which have been combined.	Clarity – reduces redundancy.	Complies with RCW 36.70A.202 and CPP CC-11.	Consistent.	None.
<del>P-1((38))21</del> Decisions on acquisition and development of park, (( <del>open space and</del> )) trail, <u>and other open space</u> sites should consider funding needs for long term maintenance and operations.	Includes other classifications of Open Space in policy.		N/A	Consistent.	None.

KING COUNTY COMPREHENSIVE PLAN 2004

POLICY RP-307/RP-308 ANALYSIS MATRIX

1. [RP-307(a)]	2. [RP-307(a, c)]	3. [RP-307(b)]	4. [RP-307(d, e)]	5. [RP-307(f)]	6. [RP-307(g)/RP-308]
<u>P-122</u> Open space lands shall be classified to identify the primary role in the open space system and purpose of acquisition as active recreation, trails, multi-use, natural area or working resource lands. They will be classified as regional or local and the primary role and purpose of the site will be identified.	Reflects current classification system.	Consistency.	N/A	Consistent.	None.
<u>P-125</u> King County will adopt an entrepreneurial approach to managing and operating the open space system and work aggressively to implement multiple and appropriate strategies to sustain fiscally the open space system.	Business Plan consistency.	Consistent with new direction.	N/A	Refers to Business Plan as it will be updated.	None.
<u>P-126</u> Management of the regional open space system of Parks, Trails, Natural Areas and Working Resource Lands is guided by the King County Parks, Recreation and Open Space Plan, as adopted in 1996 (and subsequent updates). The plan includes policies on the management of parks and trails, natural areas, and resource lands.	References the functional plan for guidance on management of system. The updated functional plan will contain specific direction for natural areas and resource lands as well as recreation lands.	None.	Complies with RCW 36.70A.202 and CPPs CC-6 and CC-7.	Consistent.	None.
<u>P-127</u> King County shall use park and recreation standards as adopted in the King County Park, Recreation and Open Space Plan, adopted in 1996 (and subsequent updates) as guidelines to evaluate and provide local parks, trails, and recreational services.	Relocated P-127	None – organization only	GMA 36.70A.202 CC-13	Consistent	None
<u>P-128</u> In the Urban Area, King County shall work in partnership with other jurisdictions to facilitate annexation and transfer of local parks, trails and other open spaces to cities or other providers to ensure continued service to the community.	Reflects new policy direction.	Consistent with transfer strategies.	N/A	Consistent.	None.
<u>P-205</u> King County shall <del>((administer regional arts programs to))</del> support excellence and vitality in the arts and <del>((to))</del> support opportunities for attendance at and participation in diverse arts and cultural activities throughout the county. <del>((King County may initiate programs to increase access to the arts.))</del>	Technical edit due to the creation of the Cultural Development Authority (CDA) as a separate entity outside County government; King County no longer administers any arts programs.	Clarifies the shift of direct arts activities to the Cultural Development Authority of King County (CDA) as of January 1, 2003. No substantive effect.	N/A	N/A	No changes needed.
<u>P-206</u> The <del>((Arts Commission))</del> Cultural Development Authority of King County or its successor organization shall advise the King County Executive and the Council on programs, policies and regulations that support and increase access to the arts.	Technical edit due to creation of the CDA as a separate entity outside County government. The CDA now fills the functions of the abolished Arts Commission.	Clarifies the shift of direct arts activities to the CDA and the abolishment of the Arts Commission as of January 1, 2003. No substantive effect.	N/A	N/A	No changes needed.

KING COUNTY COMPREHENSIVE PLAN 2004

POLICY RP-307/RP-308 ANALYSIS MATRIX

1. [RP-307(a)]	2. [RP-307(a, c)]	3. [RP-307(b)]	4. [RP-307(d, e)]	5. [RP-307(f)]	6. [RP-307(g)/RP-308]
<p><b>P-207</b> King County shall administer a regional historic preservation program to identify, evaluate, <del>((and))</del> protect <u>and enhance</u> historic <del>((and archaeological resources))</del> <u>properties</u>.</p>	<p>Editing for clarity and consistent terms. As amended this policy and proposed policies P-211a and b make policy P-209 redundant.</p>	<p>Clarifies the text and the intent of the original policy and makes the terms of the policy consistent with others in the section. <p><b>P-208</b> The Landmarks <del>((and Heritage))</del> Commission shall advise the King County Executive and the Council on programs, policies and regulations that support and <del>((increase access to historic resources))</del> <u>enhance preservation and protection of significant historic properties</u>.</p>	<p>With the creation of the CDA as a separate entity outside County Government, the Landmarks Commission now focuses on preservation activities and does not deal directly with heritage activities. The change of name reflects this change. This policy also needed revision to recognize the current function of the Commission and to make it parallel with policies P-206, P-211 and proposed P-211a.</p>	<p>Clarifies changes to the Landmarks Commission due to creation of the CDA and makes the policy parallel with similar arts, public art and heritage policies in the section. No substantive effect.</p>	<p>Complies with RCW 36.70A.020 (13) and Countywide Planning Policies FW-26, CC-1 and CC-2.</p>	<p>N/A</p>	<p>No changes needed.</p>
<p><del>((P-209 King County shall administer regional historic preservation programs to support, preserve and enhance historic resources and to support opportunities for attendance and participation in diverse heritage activities throughout the county. King County may initiate heritage programs to increase access to these resources.))</del></p>	<p>The CDA has assumed the County’s heritage functions on January 1, 2003, and the other purposes of this policy are included in amendments to Policy P-207. Proposed policies P-211a and P-211b ensure that the Executive and Council will continue to receive expert advice about the County’s support for heritage activities.</p>	<p>Deletion of this policy reflects the shift of direct heritage activities to the CDA and eliminates redundancies with amended Policy P-207. No substantive effect.</p>	<p>N/A</p>	<p>N/A</p>	<p>No changes needed.</p>
<p><b>P-<del>((210))209</del></b> King County shall <del>((administer a regional public art program that provides))</del> <u>provide</u> art in public facilities, projects and places to enhance community character and quality of life. Maintenance and conservation shall be a consideration in the development and management of public art. King County undertakings (including public-private partnerships and development authorities) that include public</p>	<p>Technical edit due to creation of the CDA as a separate entity outside County government. The CDA now fills the functions of the abolished Public Art Commission and the County no longer directly administers a public art program.</p>	<p>Clarifies the shift of public art activities to CDA as of January 1, 2003. No substantive effect.</p>	<p>N/A</p>	<p>N/A</p>	<p>No changes needed.</p>

**KING COUNTY COMPREHENSIVE PLAN 2004**  
**POLICY RP-307/RP-308 ANALYSIS MATRIX**

1. [RP-307(a)]	2. [RP-307(a, c)]	3. [RP-307(b)]	4. [RP-307(d, e)]	5. [RP-307(f)]	6. [RP-307(g)/RP-308]
funds or resources, have publicly visible physical components, or require mitigation should include public art. King County should encourage provision of public art in private development projects.					
<b>P-<del>((211))</del>210</b> The <del>((Public Art Commission))</del> <u>Cultural Development Authority of King County or its successor organization</u> shall advise the King County Executive and the Council on programs, policies and regulations that support and increase access to public art.	Technical edit due to creation of the CDA as a separate entity outside County government. The CDA now fills the functions of the abolished Arts Commission.	Clarifies the shift of direct public art to the CDA as of January 1, 2003. No substantive effect.	N/A	N/A	No changes needed.
<b>P-211</b> <u>The Cultural Development Authority of King County or its successor organization shall advise the King County Executive and the Council on programs and policies that support and enrich King County’s heritage.</u>	Technical edit due to creation of the CDA as a separate entity outside County government. The CDA now fills the heritage functions of the former Landmarks and Heritage Commission. This policy parallels existing policies for Arts (P-206) and Public Art (P-211) and replaces the heritage elements deleted from policy P-208.	Clarifies the shift of direct heritage activities to the CDA and provides that the CDA advise the Executive and Council on Heritage matters. No substantive effect.	N/A	N/A	No changes needed.
<b>P-212</b> <u>King County shall support, preserve and enhance its heritage and shall encourage opportunities for public attendance and participation in diverse heritage activities throughout the County.</u>	Technical change due to creation of the CDA as a separate entity outside County government. The CDA now fills the heritage functions of the former Landmarks and Heritage Commission. This policy parallels existing policies for Arts (P-205) and Public Art (P-210) and replaces the relevant heritage elements deleted from policy P-209.	Clarifies the shift of direct heritage activities to the CDA and provides that the County support and encourage Heritage activities. No substantive effect.	N/A	N/A	No changes needed.
<b>P-<del>((213))</del>214</b> King County shall work with cities to protect and enhance historic resources and public art located within city boundaries and annexation areas. The <del>((County))</del> county shall advocate for and actively market its <del>((arts))</del> historic preservation <del>((and public art))</del> services to agencies and cities that could benefit from such services.	Technical edit due to creation of the CDA as a separate entity outside County government. The CDA now fills the public art functions of the former Public Art Commission.	Clarifies the shift of direct public art activities to the CDA. No substantive effect.	Complies with RCW 36.70A.020 (13) and Countywide Planning Policies FW-26 and CC-1.	N/A	No changes needed.

**KING COUNTY COMPREHENSIVE PLAN 2004**  
**POLICY RP-307/RP-308 ANALYSIS MATRIX**

1. [RP-307(a)]	2. [RP-307(a, c)]	3. [RP-307(b)]	4. [RP-307(d, e)]	5. [RP-307(f)]	6. [RP-307(g)/RP-308]
<b>P-((215))216</b> King County shall encourage land uses and development that retain and enhance significant historic <del>((and archaeological resources))</del> properties and sustain historic community character. <u>County building and zoning codes and other regulations and standards should provide flexibility to accommodate preservation and reuse of historic properties. Zoning actions should take into account the effects of zoning on historic properties.</u>	Inflexible zoning and building codes sometimes impose unnecessary barriers to preservation that are unrelated to public health and safety. Also provides consistent terms throughout the section. Most of the Community Plans replaced by the 1995 Comprehensive Plan included policies recommending that zoning be consistent with historic preservation; this intent was not carried completely into the Comprehensive Plan	Clarifies the intent of original policy and makes terms consistent throughout the section. Provides guidance and additional flexibility in applying contemporary zoning and building codes in order to remove barriers to preserving historic properties.	Complies with RCW 36.70A.020 (13) and Countywide Planning Policies FW-26 and CC-2.	N/A	No changes needed.
<b>P-((216))217</b> King County shall review public and private projects <u>and may condition projects</u> in order to protect and enhance historic <del>((and archaeological resources))</del> properties. King County agencies shall coordinate with the <del>((Office of Cultural Resources))</del> <u>Historic Preservation Program</u> to provide consistent review <u>and mitigation</u> for projects within unincorporated areas and for <del>((other))</del> <del>((C))</del> county undertakings <u>within cities</u> .	Editing for clarity, consistency of terms and to reflect the abolition of the Office of Cultural Resources.	Clarifies the intent of the original policy and improves its readability; it also reflects the creation of the CDA and the abolishment of the Office of Cultural Resources as of January 1, 2003. No substantive effect.	Complies with RCW 36.70A.020 (13) and Countywide Planning Policies FW-26, CC-1 and CC-2.	N/A	No changes needed.
<b>P-((217))218</b> King County shall inventory historic <del>((and archaeological resources))</del> properties <u>in order to guide decision making in resource planning, capital projects, operations, environmental review and resource management.</u>	Editing for clarity and consistency of terms throughout the section.	Clarifies the intent of the original policy and makes its terms consistent with the text and other policies in the section. No substantive effect.	Complies with RCW 36.70A.020 (13) and Countywide Planning Policies FW-26, CC-1 and CC-2.	N/A	No changes needed.
<b>P-((218))219</b> Archaeological <del>((resources))</del> properties shall be identified, evaluated and protected in a consistent and coordinated manner. King County shall <del>((develop archaeological sensitivity models,))</del> establish <u>consistent review and protection</u> procedures and develop <u>centralized</u> professional archaeological staffing.	Editing for clarity and consistency of terms. More consistent procedures for and treatment of archaeological properties makes the County’s archaeological review more efficient, effective, defensible and less costly. Recognizes that an archaeological sensitivity model is currently being developed.	Clarifies the intent of the original policy and makes its terms consistent with the text and other policies in the section.	Complies with RCW 36.70A.020 (13) and Countywide Planning Policies FW-26, CC-1 and CC-2.	N/A	No changes needed.
